Right so

That's

I will be
transformed with
the same method the
princess used to
change the frog
into a prince, papa.

There's the magic
that girls who
possess a "noble heart!"
can use only
the once, papa.

It isn't
the
girlfriend-
boyfriend
love.

That's
right,
this is
just
magic.

TRANSLATOR'S NOTES (THAT AREN'T REALLY TRANSLATIONS-RELATED THIS TIME ROUND)

"MERRY-SAN"

SHE'S THINKING OF THE URBAN JAPANESE LEGEND ABOUT A DOLL WITH THE SAME NAME BECAUSE WHAT KONOBO SAID SOUNDED ONE OF THE LINES IN THE STORY. HERE'S A PARAPHRASED VERSION OF THE STORY: [BARRY HALLOWEEN \(1974\) 1:10](#)

A girl had a Western doll she called Merry-san. She got rid of it when she moved houses once it was old.

One night, the phone rang at the new house and the girl answered it. She heard a voice saying, "It's Merry-san. I'm in the dump!" and it hung up on her right away. However, later the girl got another phone call from it. "It's Merry-san. I'm around the corner."

Later that night it called her again: "It's Merry-san. I'm in front of your house now." The girl opened the door but saw no one. Just as she was wondering if it was a prank, she got another phone call. When she answered, the voice said:

"It's Merry-san. I'm right behind you."

TAKESUCHI AND HIRAKU FROM "KISS & NEVER SAY"

TAKESUCHI (KISS-NEVER SAY)
TAKESUCHI

HIRAKU (KISS-NEVER SAY)
HIRAKU

A FEW HAVE PICKED UP THAT ASSISTANT COACH HIRAKU IS FROM THE MANGA'S PREVIOUS SERIES "KISS & NEVER SAY"

I CAN CONFIRM THIS IS TRUE. BOTH HIS AND TAKESUCHI'S (KONOBO'S TRAINED) PROFILES IN LATER VOLUMES SAY READERS CAN REFER TO THAT MANGA FOR MORE INFO ABOUT THEM.

I DON'T KNOW IF TAKESUCHI'S APPEARED IN CURRENT SCENARIOS YET, BUT HIRAKU IS ONE OF THE MAIN CHARACTERS THERE. O

THEIR FUTURE APPEARANCES MAY GIVE AWAY SPOILERS AS TO WHAT HAPPENS TO THEM IN KANG.

ONE ONLY READ THE LAST VOLUME SO I DON'T KNOW MUCH ABOUT THE BROTHER LOOL, BUT I AM QUITE CERTAIN NOT CAUTIOUS IS SPOILER-ISH FOR MANGA-RELATED STUFF.

SO JUST A WORD OF WARNING TO PEOPLE CURRENTLY READING IT/PLANNING TO READ IT WHO ARE SENSITIVE TO SPOILERS.

OTHERWISE, YOU DON'T NEED KANG TO READ "SINGAN KONG" YAY

THE TWO OF THEM IN "KISS & NEVER SAY"
